

JORHAT ACADEMY

Our motto : Education is power

ABOUT US :

Jorhat Academy is a non-government Senior Secondary School located in Rowriah, Borbheta, Jorhat, established by K.D Memorial Educational trust in 2022. The school follows the curriculum designed by AHSEC and SEBA, presently combined to form ASSEB (Assam State School Education Board) and offers all the three streams, namely, Science, Arts and Commerce education in both English and Assamese. The school is managed by a four-tier management body consisting of a board of trustees, a board of advisers, a governing body, and an academic cell. The institute is established with the intention to provide unique learning experience to the students at Foundational stage (Pre-primary to class 2), Preparatory stage (Classes 3 to 5), Middle stage (Classes 6 to 8) and Secondary stage (Classes 9 to 12).

Our dedicated faculty members strive to create an engaging learning environment where every student feels inspired to explore, question and grow. We offer a balanced curriculum that blends academic excellence, co-curricular activities, and personal growth, ensuring students develop into confident, responsible, and compassionate individuals. With modern teaching methods, well-equipped classrooms, and a focus on values-based education, Jorhat Academy stands as a symbol of quality and commitment to future-ready learning.

New Launch!!

We're excited to announce the grand launch of our pre-school and day care centre to nurture young minds with love, creativity and care.

What makes us special ?

1. Safe and nurturing environment
2. Colourful Outdoor park
3. Day care facilities

4. Fun filled activities

FACILITIES:

1. Audio-Visual room : It makes the lessons more interactive and visually stimulating. It helps the young minds to grasp the topics easily and are able to leave imprints of matter that transform from short term memory to long term memory.
2. Library and Book bank : A vast collection of books, magazines and newspaper for supporting students' education, personal growth, and lifelong learning.
3. Well equipped separate Physics, Chemistry, Biology and Computer Laboratories where students can perform their scientific activities and experiments under the able guidance of experienced teachers.
4. Seminar Hall with digital facility .
5. Large open space for various outdoor activities, sports and recreational programs.
6. Canteen and hostel facilities.

Message from the head of the institution:

Dear students and guardians,

We congratulate you for your brilliant performance in the last examination and welcome you to our official website of Jorhat Academy. Our website serves as a window into the vibrant academic, cultural, and social life that defines our institution. We take pride in our dedicated who bring passion and expertise to the classroom, inspiring students to pursue knowledge beyond textbooks. With those resources we are quite confident about our ability in guiding you for building of your brighter future. We believe not only in your academic career, but also overall growth. Jorhat Academy strives for excellence in all walks of child education and hence offers a comprehensive package of activities in its gamut to draw out best potential. Beyond academics, we emphasise the importance of co-curricular and

extra -curricular activities, which help our students discover their strengths, nurture creativity, and develop leadership qualities.

We invite you all to explore the pages of the website to gain insight into the life and spirit of Jorhat Academy.

Lastly we thank you all for choosing this institution for building your bright future.

Feel free to contact us

Fond regards
